

BOOSTER ASSOCIATION

FOR STRING STUDENTS

Membership Drive

Family, friends, and corporate sponsors are invited to become a BASS Member by simply filling out the attached form and sending it in with their chosen donation. All donors will be recognized in our concert programs and **100% of your donation will be used to help our orchestra students.**

Our goal is to raise \$10,000. We have about 250 families in our program; \$40 from each family will guarantee that we meet our goal! If we don't reach our goal, we may consider additional fundraising efforts.

FYI - the \$75 Participation Fee will NOT cover expenses for OMEA State Orchestra Contest or transportation costs to that contest or the HS Tour to Elementary/Middle Schools. IF we raise enough money we *might* be able to re-instate field trip opportunities for MS/JH Orchestra students.

The **Booster Association for String Students (BASS**, pronounced like our biggest instrument, not the fish!) would like to extend a special invitation to all parents, grandparents, and other interested individuals to become a **BASS** member during the 2009-2010 school year.

Through its fund-raising and special events, BASS supports all string orchestra students in grades 5 - 12 in a variety of ways:

- ♪ provides rewards such as pizza parties, ice cream parties, stickers, etc.
- ♪ provides partial funding for field trips
- ♪ helps students attend music camps during the summer through our Camp Credits program
- ♪ purchased Yamaha Clavinova pianos for HAMS, BRJH, HS
- ♪ purchased/installed large mirrors at BRJH
- ♪ upgraded stereo system at BRJH
- ♪ plans to upgrade the stereo system at HS and WRJH
- ♪ sponsors annual Awards Night
- ♪ purchased new laptop computers JH/HS

BASS welcomes you to the monthly meetings held at Reynoldsburg High School in the Orchestra Room (Room 203, near the cafeteria.) The meetings begin at 7:00 PM. Please check the Orchestra calendar for specific dates.
